Bedrock Investments acquires Atkins' Portuguese business

Bedrock Investments has added a wide range of new engineering consultancy capabilities to its portfolio, including architecture, rail, road and ports, environment, urban, sanitation and hydraulic consultancy, project management and site supervision services, following its purchase of Atkins' Portuguese business ("Consultores E Projectistas Internacionais, Unipessoal, Lda").

Bluemint Capital Advisors advised Atkins on the sale to Bedrock Investments

Nick Williams, Director at Atkins, said: "The Bluemint Capital team provided us with professional and valuable expertise which was vital to the successful sale of our Portuguese business to Bedrock Investments."

Mr. Diego Hernando Ortega, Managing Partner at Bluemint Capital, said "we were thrilled to be able to assist Atkins in finding a suitable buyer for its Portuguese business and provided advice throughout the transaction process."

About Atkins

Atkins (www.atkinsglobal.com) is one of the world's most respected design, engineering and project management consultancies, employing some 18,000 people across the UK, North America, Middle East, Asia Pacific and Europe.

About Atkins' Portuguese Business

Atkins' Portuguese business was established in 1987 and is an engineering and design consultancy firm based in Lisbon. Notable Projects include Porto's light rail network from Campanhã to Gondomar, Leixões harbor's logistics platform, East Setúbal's Strategic Plan and the Environmental Impact Assessment of Alvito Dam.
